Experiences

Frontend Intern   10/2021 - 03/2022
Arash web, Mashhad
I worked at ArashWeb Company as a frontend intern, During this time I have participated in several projects and also learned the main topics of the clean code book and met good friends and colleagues.

Mobile Intern   10/2022 - 12/2022
Webcentriq, International Remote
During this time, I was working with React Native as a mobile app development intern, and I got to know more about the development process of mobile apps and the differences between mobile operating systems. Most importantly, I touched the remote work culture closely.

Mobile Developer   12/2022 - Present
Webcentriq, International Remote
After completing the internship, I decided to deal with international projects and solve challenges in Webcentriq.
